

Lyrics to Maids with a **Point of View**
Performed by the Mt. Lakes area Chorale under the directions of
Gloria Diamond

All

We are maids with a point of view
Some are old and some are new
Join in AAUW
Maids with a point of view

Sopranos

Some of us work and some of us play

Seconds

Scholarships we give away

Altos

Gender gap and equal pay

All

Maids with a point of view.
Maids with a full itinerary
Gourmet, book club they all vary
Lectures by famous dignitaries
Maids with a point of view
Maids with a point of view

Sopranos

Some of us have advanced degrees

Seconds

All of us share our expertise

Altos

Empowering women to succeed

All

Maids with a point of view

Sopranos

Good Times, bad times we are there

Seconds

Our support and prayers to share

Altos

Showing always that we care

All

Maids with a point of view.
Women faced with adversity
Join in solidarity
Make their mark in history
Maids with a point of view
in AAUW
