

Support Girls in STEM: Sponsor a 2016 Tween Tech Attendee!

In response to nationwide demand for science, technology, engineering, and mathematics (STEM) programs, the American Association of University Women of New Jersey (AAUW-NJ) has begun augmenting the **Summer Tech Trek** Camp program for 8th grade girls with a winter **Tween Tech** event for middle school girls. **We need your help: volunteer, or sponsor Tween Tech attendees for \$15 each or make any gift to defray Tween Tech Expenses**

Tween Tech is a mini-conference designed to develop girls' interest and self-confidence in STEM, modeled after New Jersey's own **Teen Tech**. Stockton University will **host Tween Tech 2016 on January 8**, featuring:

- Local female teachers, professors, and professionals to lead hands-on workshops for middle school girls
- Admissions and advising professionals to talk with the girls and their teachers about STEM majors
- AAUW member volunteers to pass out information about the second annual **Tech Trek Summer Camp**

HOSTING TWEEN TECH EVENTS REQUIRES COLLABORATION – AND HELPS RECRUIT CAMPERS FOR TECH TREK!
