

ARE YOU:

A **student** on a college or university campus in NJ?

Committed to ending sexual violence?

Interested in contributing to sexual violence prevention?

STUDENT INITIATIVE FOR SEXUAL VIOLENCE PREVENTION

The Initiative brings together college and university students across the state of N.J. to:

- Identify how to improve existing efforts to **prevent sexual violence** in K – 12 settings, on campus, and beyond;
- Contribute insight into the **lived experiences** of students on campus;
- Gather information and provide recommendations to **enhance current prevention initiatives**.
