no later than 2:45**

Tales of the Maya Skies

This is an immersive experience in Maya science, art, and mythology that transports participants back into the world of the Maya. Learn about the Mayas' accurate astronomical achievements and how astronomy connected them to the universe.

The program runs about 30-35 minutes. You may continue to tour the museum after the planetarium. They are open until 5:00.

The planetarium is running at full capacity (50 people max per show). Please arrive 15 minutes before the start of the show. Programs begin promptly and latecomers will not be admitted. No exceptions. Food and drink are not allowed in the theater. For safety reasons, no re-entry will be allowed once the show starts.

ADDITIONAL INFORMATION ABOUT THE MUSEUM

Bamberger Entrance at 49 Washington St has a wheelchair ramp for Museum access. The doorway is equipped with an automatic opener. Our South Wing entrance on Horizon Plaza has an accessible elevator for wheelchair usage.

Accessible restrooms are located near the North Wing elevators on all floors and in the Billy Johnson Auditorium Lobby.

Large-print guides are available in select galleries.

All galleries are stroller- and wheelchair-friendly

All galleries and levels of the Museum are accessible by elevator. Elevators can be found in the following locations

- South Wing: east side of the building on all floors
- Main Building: south side of the building on all floors
- North Wing: near the Atrium on all floors

Assistive Listening Devices are available for all public programs in the Billy Johnson Auditorium.

Manual wheelchairs are available in the Welcome Center, free of charge, on a first-come, first-served basis. Seating, some with charging stations, is available throughout the Museum Campus. Portable stools are also available in the Welcome Center, free of charge, on a first-come, first-served basis.
